**A Medical Home for  
Children and Adults**

Pasadena | El Monte | Monrovia

## Our Mission and Promise

Our mission is to provide excellent, comprehensive, and innovative health care that is accessible to all the residents of the San Gabriel Valley.

ChapCare was founded in 1995 to establish primary health care services for the low-income, uninsured residents in the Pasadena area.

Today, ChapCare is a network of federally-funded community health centers in the San Gabriel Valley that provides primary healthcare to more than 64,000 patients annually.

### Patient-Centered Medical Home

Everyone is welcome and nobody is turned away from medical care.

We take Medi-Cal, Medicare, Covered California plans, My Health LA, and accommodate anyone without insurance.

Insurance enrollment is available.

“

Healthy People.  
Strong Communities.

”

ChapCare is a 501 (C) (3) Nonprofit Federally Qualified Health Center

## Programs and Services

### Physical Exams and Health Screenings:

Routine health screenings, physicals, and immunizations for the whole family, and testing for various forms of cancer and other conditions.

### Reproductive Health:

Birth control methods, STD, HIV/AIDS testing for men and women.

### OB/GYN:

Pregnancy testing, periodic doctor visits, physicals, fetal monitoring, lab tests, ultrasounds, mammograms, pap smears, etc.

### Pediatric Care:

Periodic physicals, infant and childhood immunizations, and children check-ups.

### Chronic Disease Management:

Diabetes, hypertension, and cardiovascular disease.

### Dental Care:

Adult and child dental exams, teeth cleaning, fluoride treatment, sealants, fillings, simple extractions, crowns/spacers, pulpotomies, and X-rays.

### Optometry:

Comprehensive eye exams (free with Medi-Cal and Medicare) and prescription glasses frames (free for children with Medi-Cal).

### Podiatry:

Foot and ankle conditions treatment, and chronic disease management.

### Counseling Services:

Short-term counseling for depression, anxiety, and substance use, providing referrals for psycho-educational support groups.

### Pharmacy Services:

Prescription drugs home delivery at no cost for patients residing 10 miles from any clinic.
